

Lifetime Achievement Award in Livestock Entomology -- 2008

This year's Lifetime Achievement Award in Livestock Entomology will be presented at the 52nd Annual Livestock Insect Workers' Conference in Kansas City, Missouri, in recognition of outstanding achievement in livestock entomology.

Please consider nominating someone for this award. The Program Committee of the Livestock Insect Workers' Conference will select the recipient.

Selection will be based on the following criteria:

1. A career livestock entomologist actively pursuing research and/or extension.
2. An active participant in the Livestock Insect Workers' Conference.
3. A spokesperson for the profession.
4. An individual who has made significant contributions to animal health and productivity through livestock entomology.

Please note that nominees may not be full-time employees of pharmaceutical or animal health companies.

E-mail nomination to: fknappp@uky.edu.

Nominations are limited to two single space pages; font size 12, with at least one inch margins (Directions must be followed or nominee will not be considered).

Nominations must be received by May 3rd, 2008
